

# Online Worship Tips for Parents

- Print out the sermon notes or pull them up on your phone
- Let everyone know the day before when to meet in the living room for Family Worship
- Have extra paper and crayons in the living room
- Everyone go to the bathroom before it starts
- Tell kids what you want them to do during this new experience
- Make it fun with a special snack
- Invite a stuffed animal to worship
- Encourage everyone to sing out loud during worship
- Look up the passages in the Bible and follow along
- If kids have an important question, write it down so you can discuss after it is over
- Have something special kids don't usually use hidden in the room to bring out and occupy their hands if they aren't listening
- Include everyone in the Family Discussion Question and let the kids go first
